**26.06 Vacation Scheduling**

g) When an employee moves to another vacation scheduling group, or cancels their selected vacation prior to the start of their vacation selection, and the change results in there being a period where less than ten percent (10%) of the vacation scheduling group is on vacation, the vacation period(s) selected by that employee will be offered in order of seniority to the other employees in the vacation scheduling group. Selection for the newly available period will begin with the employee who is next lowest in seniority to the employee who has moved to another vacation scheduling group or who cancelled the period.

Employees, who move to another vacation scheduling group, will be allowed to use their originally selected vacation period in their new vacation scheduling group. When an employee moves to another vacation scheduling group, it will not have a negative impact on the existing vacation schedule for the current vacation year in that vacation scheduling group.
