**Letter of Agreement  
Transporting Generators**

1. The parties agree that the transportation of generators is bargaining unit work.
2. Managers will only transport generators in the circumstances reflected in Article 4.08 of the Collective Agreement.
3. For greater certainty, with respect to transporting generators, the "emergency" provision in Article 4.08(a) refers to cases where the work is necessary for service restoration in an emergency, and no trained unionized employee is available to do the work because of distance or because of work demands due to the emergency.
4. Notwithstanding anything else in this agreement, the transportation of generators will only be done by personnel who have the appropriate training to do the work safely.

A handwritten signature or set of initials, possibly 'J' followed by a large looped flourish, located to the right of the list items.
